

Trunking System WELBTU

LED Trunking System Linear – Retail Lighting

- Product Type: Trunking Mounted LED Linear
- Light Source: SMD
- High Efficiency Diffuser
- Installation: Special locking arrangement provided in the fixture for trunking mounting

Wattera Trunking mounted linear luminaire provides best in class Lumen Output with high levels of efficiency & colour rendering

Enclosure is made of heavy gauge M.S. housing with powder coating finish which acts as passive heat sink. Extruded diffuser for higher light trans-mission. Inbuilt efficient electronics driver and electronics accessories with connectors. Special locking arrangement provided in the fixture for trunking mounting 40W LED. Internal Wiring will be 1.5 sq. mm FRLS.

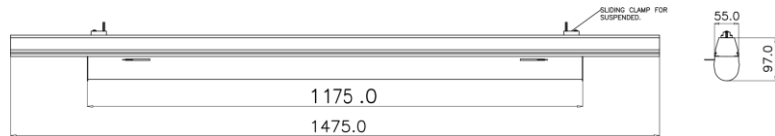

AREA OF APPLICATIONS

- | | |
|--------------|-----------------------|
| Supermarkets | Parking Area |
| Warehouses | Corridors & Basements |

Trunking System WELBTU

LED Trunking System Linear – Retail Lighting

Model No	WELBTU 40W
System Wattage	40W
Luminous Flux	4000 lm
Luminaire Efficacy	100 lm/w
CCT	6000k ± 300k
CRI	80
Maintenance of Lumen output	50000 hrs
Operating Temperature	-10°C +50°C

Input Voltage	WELBTU 40W
Input Frequency	50/60 Hz
System Current in Amp. @240 AC	0.166 A
Power Factor	0.95
THD	<10%
Ingress Protection	IP 40
Built-in Surge protection	3 kv

Product Model No	WELBTU 40W WH LED	WELBTU 7 Wire Trunk MS 1.5m	WELBTU 7 Wire Trunk MS 3m	WELBTU Suspension 3m	WELBTU Trunk jointer	WELBTU Trunk end cap	WELBTU Trunk Bottom Cover 300m	WELBTU Trunk Bottom Cover 600m
